United States Senate

COMMITTEE ON
EDUCATION AND LABOR

January 14, 1946

Dear Mr. Norris:

After listening to President Truman's speech, I have decided to hold a hearing in Courtroom 02, third floor, New Post Office Building, Trenton, on January 21 starting at 1 p.m.

The hearing will be confined to the Pepper Bill, S-1349 which, as you know, is an amendment to the Fair Labor Standards Act to increase the minimum wage base at this time.

I am wondering if you or a representative of the New Jersey Urban League would be interested in appearing at the meeting to express the attitude of your organization on this legislation.

Sincerely yours,

Mr. Roy Norris, Industrial Secretary
New Jersey Urban League
58 West Market Street
Newark, New Jersey
